Education

Erasmus Mundus Joint Masters
Data-Intensive Intelligent Software
Systems (Double Degree)
University of L'Aquila, Italy
September 2025 – August 2026
Åbo Akademi University, Finland
August 2024 - July 2025

Bachelor of Science
Software Engineering
(Major in Data Science)
Daffodil International University
CGPA: 3.87 (Out of 4.00)
Merit Position: **First**

Scholarships and Awards

- Excellence Program (Percorso di Eccellenza)**, M.Sc. in Computer Science, University of L'Aquila, 2025 – 2026 (Merit-based selection to the University's Excellence Program for outstanding academic performance)
- Erasmus Mundus Scholarship** - European Union, 2024 – 2026
- Tuition fee waiver (~2,000 €) – Daffodil International University (Merit-based Scholarship), 2018 – 2022.
- SSC Scholarship (~200 €) - Board of Intermediate and Secondary Education, Jashore, 2015 – 2017

Experience

Master Thesis Student *Mach 2026 – August 2026*
GFTL ER Compute and Software Finland
Ericsson Oy

Research Intern *May 2025 – August 2025*
GFTL ER Compute and Software Finland
Ericsson Oy

Lecturer *September 2022 – June 2024*
Department of Computer Science and Engineering
Daffodil International University. 

Trainee *September 2022 – December 2022*
B-JET
Bangladesh Japan IT Engineer Training Program

Data Science Apprentice *February 2022 – April 2022*
Cramstack Ltd.
Dhaka, Bangladesh

Data Science Intern *November 2021 – January 2022*
Cramstack Ltd.
Dhaka, Bangladesh

Research publication (Google Scholar)

- Improving Deep Learning Explainability by Elucidating Texture-Based Learning Patterns in Medical Image Segmentation.** Biomedical Signal Processing and Control (2026) [Link]
- A Data Mining Approach to Finding Face Mask from Bangladeshi News Channel.** IEEE Xplore (2022) [Link]
- Texture Traceability for Explainable AI in Breast Cancer Computer-Aided Diagnosis** [Submitted in Nature Scientific Reports]
- Test Case Leakage in LLM-Based Unit Test Generation: An Empirical Study** [Under Review]
- Greening AI: Energy-Aware Evaluation of Routing Policies in Mixture-of-Experts Large Language Models** [Under Review]

Skills

Programming: Python, Java, C, SQL

ML & Deep Learning: Scikit-learn, XGBoost, CNNs, U-Net, Vision Transformers, PyTorch/TensorFlow, Computer Vision, Image Analysis, Explainable AI (XAI)

LLMs & Generative AI: RAG (GraphRAG), VectorDB, Agent Frameworks, Inference & Serving (vLLM, Ollama), Mixture-of-Experts, LLM evaluation

Data & Pipelines: Pandas, NumPy, ETL/data pipelines, Data lakes (Delta Lake, Parquet)

Tools & Platforms: Git, AWS, Docker, Flask, MLflow, Excel, PowerPoint

Soft Skills: Communication Skills, Adaptability, Leadership, Work Ethic, Teamwork and Collaboration.

Research Interest

LLMs, Agentic AI, Energy-efficient AI, Image Analysis, Explainable AI

Language Proficiency

English (IELTS: 7)

Hobbies

Reading, Exploring New Cultures, Hiking and Nature Walks, Writing Blogs

Research Projects (GitHub)

1. Developing an Explainable Deep Learning Model and Reporting System for Real-Time Clinically geared Segmentation Tasks

Description: Collaborative research project with the **Åbo Akademi University, Paris Brain Institute, Pitié-Salpêtrière University, France, Delft University of Technology, Netherlands, and the University of Melbourne, Australia**, to develop an explainable AI pipeline for cancer detection based on texture analysis and generate report for clinicians.

2. Real-Time Traffic Analysis

Description: A research project on an AI based solution for counting vehicle from videos using both real time and previous recorded. Used YOLOv5 to detect and track vehicles on a particular dataset and achieved a considerable accuracy.

Organizational and Committee Experience

1. Organizer, International Conference on Big Data, IoT, and Machine Learning (BIM 2023), by Department of CSE, Daffodil International University – September 2023

2. Organizer, 6th National Girls Programming Contest jointly organized by ICT Ministry and Daffodil International University – June 2023

3. Event Organizer, 2nd Data Science Summit – November 2021

4. Volunteer, 2nd International Conference on Cyber Security and Computer Science (ICONCS) – February 2020

5. Research Advisor, DIU Girls Computer and Programming Club (Spring 2023 to Spring 2024)
